

# Welcome

## WELCOME TO TOTARA HELP

**Totara Help** is your guide to using all of our products. You'll find documentation for every version of **Totara Learn** and **Totara Social**, including installation guides, instructions on how to use features, and other useful tip and tricks for getting the most out of your system.

Use the links below to access the product help documentation you require. Alternatively you can use the dropdown menus in the navigation bar above to skip straight to a specific version of help documentation.

If you are looking for something specific within **Totara Help** you can refine your search using the [advanced search syntax](#).

## OTHER PLACES TO GET HELP

Share and collaborate with an engaged network of like-minded learning professionals on a wide range of topics including market trends, key learning technologies, best practices and strategies for supporting effective learning and performance in the workplace through the **Totara Community**.

If you are a Totara Subscriber and need technical assistance, your Partner can raise a ticket using the [Totara Support Helpdesk](#). See [Totara Support Helpdesk User Guide](#) for more information.

See our [Policy documents](#) for guidance on [contributing to Totara](#), [security](#), and the [Totara Learn Roadmap](#).

For more technical assistance you should access our [public developer documentation](#).
