

Managing courses

Once you have set up your course you may want to perform certain course management tasks such as [enrolling users](#) and [backing up courses](#).

You can learn more by exploring the pages in this section using the menu in the left-hand column.

You can also see our documentation on applicable core Totara features, such as [tags](#).

Totara Academy

The Totara Academy has a whole course dedicated to using [Courses and categories](#) in Totara Learn. Here you can learn more on how to use courses and categories, see best practice, and give it a go yourself.
